Vision & Mission

Vision

- To become a center of excellence in the field of Computer Science and Engineers.
- To produce competent, confident, innovative and socially responsible engineers with an ability to serve the society.

Mission

- To impart high quality professional training at the undergraduate level with an emphasis on basic principles of Computer Science and Engineering.
- To pass on moral qualities and ethical values to the students.
- To empower the students with the required skills to solve technical problems of modern society.
- To make learning process exciting, simulating, interesting and exposing students to broad research areas.

Cultural Events

Freshers' Party Celebrations

The Freshers' day party is to welcome new comers in a friendly atmosphere and form the bonds that last long, to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors bond and unite to celebrate being a part of the college.

The new academic year brings happiness and joy with the arrival of the juniors. College has organised "Freshers' Day-2019" for all the students. The event was celebrated on 19 September 2019, from 9:45 am to 4:00 pm for the CSE Students. There were several events including the ramp walk & then there was an hour break for the lunch in the premises of polytechnic college. After lunch the event continued and many students performed various activities. The day was full of excitement, enthusiasm and joy as the new batch of students were welcomed into the college. The event was organised by the senior students with the help of the college administration.

Traditional Day Celebrations

Career Guidance Programme

Training and Placement Cell has organised a guest talk on "Interview Skills and Group Discussion Skills" for IV B Tech students on 11 November 2019. Our faculty Ms Minhaj Begum, Assistant Professor, IT department, extended a warm welcome to the participants. The Resource Person Dr Navanita Lahiri, took over the session and created awareness among the students regarding Objective, qualities, emergency interview kit, preparation, body language, typical questions and Do's and Dont's were covered. Students were able to understand the actual meaning of the Interviews and Group discussions through this session and they found the session informative and interesting.

Enthusiastic students involved in guest talk by Dr Navanita Lahiri

Students have attended the session and got their queries clarified regarding their opportunities.

Career Guidance Programme

College has organised an Awareness Programme on “Aboard Education - Your Gateway to a Rewarding Future” on 21 November 2019. Our faculty Ms M Vineela, Associate Professor, CSE department, extended a warm welcome to the participants. The Resource Person Mr. V. Praveen Kumar, took over the session and created awareness among the students regarding Aboard Education and Opportunities.

Many students attended the seminar on Aboard Education

Students have benefitted a lot through the lecture and interacted with the resource person about the ways to approach universities, GRE, TOEFL, IELTS scores, scholarships and career opportunities.

The seminar was delivered by a guest speaker to the students

UBA's Activities on 'Say No to Plastic'

College has conducted Poster Presentation on "Say No to Plastic" for the students on 9 September 2019 in 401 Seminar Hall, East Block, at 10:00 AM. The competition focused on highlighting the various aspects of plastic pollution and advocating for alternatives to single-use plastics. Participants were encouraged to address topics such as the environmental impact of plastic waste, innovative recycling methods, community-led initiatives and policy reforms aimed at reducing plastic consumption.

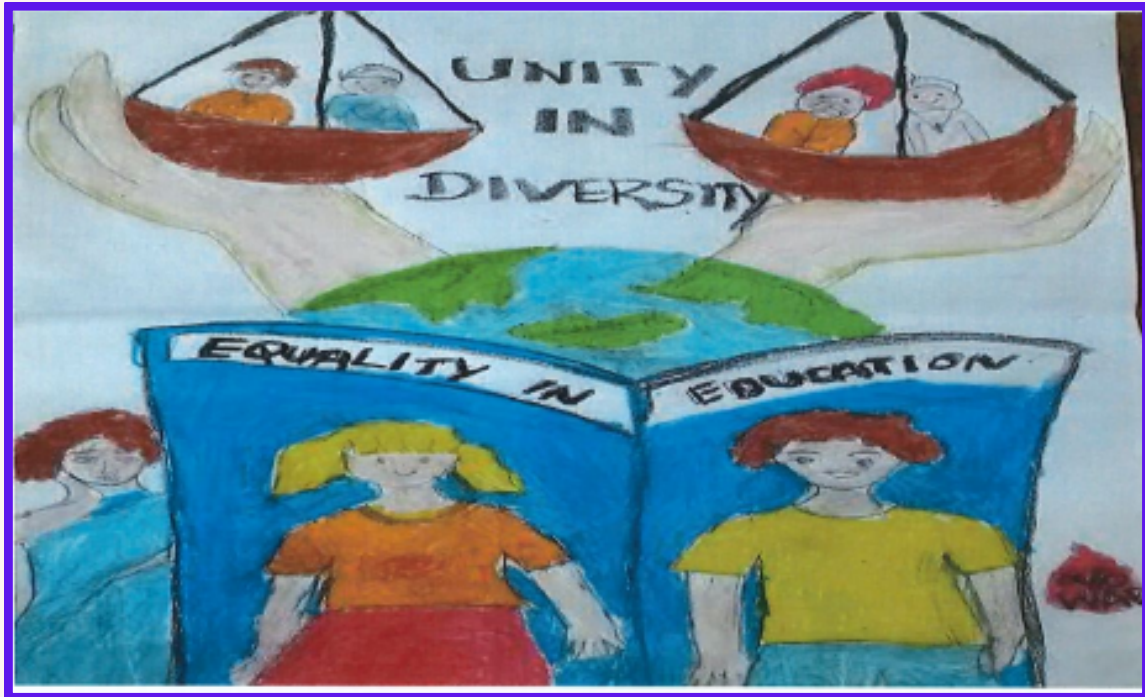

Students actively participated in the event and presented their ideas

UBA's Initiative on 'Unity in Diversity'

College has organised Drawing Competition with the theme "Unity in Diversity" for students on 31 October 2019 in 401 Seminar Hall, West Block, at 11:00AM. The competition focused on highlighting the various aspects of plastic pollution and advocating for alternatives to single-use plastics. Participants were showcased their creativity and imagination through captivating artworks that beautifully captured the essence of unity amidst diversity.

UBA Activity on “AIDS free INDIA”

College has organised a rally for the students of all branches on 01 December 2019. The objective of conducting this rally is to build awareness on AIDS among the student community and also the society as we aspire for “AIDS free INDIA”. The theme of 2019 World AIDS day is “Communities Make the Difference”.

Students participated in a rally

Students participated in a rally organized under the Unnat Bharat Abhiyan (UBA) initiative to promote awareness for an AIDS-free India."

UBA Activity on “AIDS free INDIA”

Students gave a seminar on the topic of 'AIDS Free India' as part of the Unnat Bharat Abhiyan

Kalam Bharat Programme

The Kalam Bharat Programme aims to imbue Dr. Kalam's values in students, moulding them into future leaders for India. Selected candidates adopt government schools, teaching emerging sciences, Indian values, mentoring children on dreaming big, and offering career counseling. Kalam Bharat-2019 spans 250 schools across Hyderabad, Rangareddy, Medchal, and Sangareddy districts, featuring a 15-week internship combining school adoption and community service. Our college students participated effectively managing school students and achieving program goals, fostering skills in critical thinking, time management, teamwork, decision-making, responsibility, and selflessness.

Kalam Bharat Team Members

The Kalam Bharat Programme Invitation will feature participation from graduates of Bhoj Reddy Engineering College for Women (BRECW).
