Vision & Mission

Vision

To become a world-class technical center for making women into dynamic Computer Science Engineers of tomorrow.

Mission

- To impart high quality professional training in a challenging and safe environment with an emphasis on noble values.
- To encourage women engineers to upgrade their programming, analyzing, and developing skills in building computing algorithms for leading meaningful lives.
- To make learning process exciting and interesting through curricular and co-curricular program with staff moulding them into leaders and entrepreneurs.
- To nurture the students with the required skills to solve technical problems of modern society with courage and confidence.

Workshop

The CSE department has conducted Five-day Workshop for II B Tech CSE A and B and CSM students from 02 to 06 January 2024. A total of 206 students attended the Workshop. The Workshop was scheduled from 09:30 to 16:30 Hrs. The Workshop was conducted by Brainovision, Hyderabad. The primary objective of the workshop was to equip students with the essential skills required for data analysis using the R programming language.

Inno Talks

The Inno Talks event was organized by the Department of CSE and CSM on 1st April 2024. The event was conducted in West Block Seminar Hall from 11:00 to 13:00 Hrs. Inno Talks is a platform dedicated to the dissemination of cutting-edge research, innovative ideas, and scholarly discourse. Scholars, researchers, and experts from diverse fields gathered at BRECW for a dynamic exchange of knowledge and ideas at our annual paper presentation event (Inno Talks). Participants from various institutions, including BRECW, TKR, MVSR, SSN Chennai, VIT Bhopal, Amrita Vishwa Vidyapeetham, Ambedkar Open University, Govt. Polytechnic College, SR University and Sri Venkateshwara Engineering College enthusiastically registered for the event. The registration closed on March 25, 2024, with an impressive turnout of 74 students expressing interest in participation.

Mind Maze

Mind Maze, a technical event organized by Department of CSE & CSM. Mind Maze was an intellectually stimulating event that took place on April 1st at Lab I, Lab II, Lab III in South Block from 13:45 to 16:00 Hrs. The heart of Mind Maze Coding Challenge was its coding competitions, which tested participant's proficiency in C, Java, and Python programming languages. Participants were presented with a variety of programming problems ranging from simple algorithms to complex data structures and algorithms. The competitions challenged participants to think critically, devise efficient solutions, and implement them using the appropriate programming language. Many students registered from BRECW, TKR, MVSR, Govt Polytechnic College etc. The last date for registration was 25 March 2024. Total of 150 Students registered for Mind Maze.

Annual Students' Sports & Games Meet

The Annual Students Sports & Games Meet 2023-24, held on the 27th and 28th of March 2024, was a resounding success at BRECW, showcasing the vibrant athletic talent and sportsmanship within our college community. The event was conducted from 9:30 am to 4:30 pm on both days, saw enthusiastic participation from students across various disciplines, creating an atmosphere of excitement and camaraderie on the college premises.

The meet kicked off with a grand inauguration ceremony at 9:30 AM on the 27th, featuring an inspiring keynote address by the Principal, followed by the lighting of the torch and a vibrant march-past by the athletes. Over the two days, students competed in a range of sports, including track and field events, basketball, volleyball, chess, and more. The competitions were fierce yet friendly, and the spirit of fair play was evident throughout.

The closing ceremony on the 28th at 4:00 PM was marked by the awarding of medals and trophies to the winners, with the Principal and other dignitaries commending the participants for their exceptional performances and sportsmanship. The event concluded on a high note, leaving everyone eagerly anticipating the next annual meet.

Farewell Day Celebrations

The Bhoj Reddy Engineering College for Women has organized “Farewell Day-2024” for all students, with different departments having specific dates. The CSE/CSM department celebrated the event from 03 to 04 May, 2024, from 9:45 AM to 4:00 PM. On this day, the Farewell Day was coordinated by Dr B Raveendranadh Singh, Professor and HOD-CSE & CSM, along with department cultural coordinators AVS Radhika, B Pravalika, G Divyavani, the staff, and cultural coordinators from all classes. The event was monitored by Dr Ch Sujatha Gangadhar, Chief Operating Officer; Dr K Gracy Saila Sree, Director HR & Academics, SLV; Dr J Madhavan, Principal, and Mr G Dayakar Reddy, Vice Principal. All the students of I, II, III, and IV years of the CSE & CSM department actively participated. The Farewell Day celebration is a momentous event in the life of every graduating batch at an engineering college. It serves as an opportunity for students to bid farewell to their alma mater, reflect on their academic journey, and embark on a new chapter in their lives. The Farewell Day celebration at BRECW was organized by the student council, with support from the faculty and administration.

Meditation Programme

The NSS committee successfully organized a Meditation Programme on 14th June 2024, led by the esteemed Divya Babaji Sushumna Kriya Yoga Foundation. The event took place at the Indoor Auditorium, Ramdev Block, from 10:00 to 12:30 Hrs and was aimed at promoting mental well-being and stress relief among the students.

The program began with an introductory session where facilitators from the Divya Babaji Sushumna Kriya Yoga Foundation explained the significance of meditation and its various benefits which was followed by a guided meditation session, where students were taught the fundamentals of Sushumna Kriya Yoga. The meditation session lasted for approximately one hour, during which students actively participated and engaged in the practices.

The program saw enthusiastic participation from all II B. Tech students, with a total of 200 participants, making it a highly successful event. Students were attentive and showed a keen interest in learning and practicing the meditation techniques.
