## VISION & MISSION

### VISION

To become a world-class technical center for making women into dynamic Computer Science Engineers of tomorrow.

### MISSION

1. To impart high quality professional training in a challenging and safe environment with an emphasis on noble values.
2. To encourage women engineers to upgrade their programming, analyzing, and developing skills in building computing algorithms for leading meaningful lives.
3. To make learning process exciting and interesting through curricular and co-curricular program with staff moulding them into leaders and entrepreneurs.
4. To nurture the students with the required skills to solve technical problems of modern society with courage and confidence.

# Two-Day Workshop “Agentic AI”

The Department of Computer Science and Engineering (CSE) organized a Two-Day Workshop on “Agentic AI” for III B Tech CSE A & B students on 05 and 06 March 2026 in collaboration with the Indian Society for Technical Education (ISTE) under the Internal Quality Assurance Cell (IQAC).

## Event details are as follows:

Dignitaries at the Inaugural Session of the Workshop

Mr Sai Pavan Velidandla, introduced the concept of Agentic AI and intelligent autonomous systems.

Staff and Students at the session

Principal, Dr G Shyama Chandra Prasad, delivered the inaugural address

Resource person felicitation

# Two-Day Workshop “Smart problem solving with machine learning”

The Department of Computer Science and Engineering (CSE) conducted a two-day workshop on “Smart problem solving with machine learning” for II B Tech CSE A & B students on 20 - 21 February 2026 in collaboration with Computer Society of India (CSI) under the Internal Quality Assurance Cell (IQAC).

## Event details are as follows:

Student giving feedback

Resource person, Mr Kamalakar Pallela, was felicitated by Dr G Shyma Chandra Prasad

# Three-Day Workshop “Fundamentals in Artificial Intelligence and Cyber Security”

Bhoj Reddy Engineering College for Women organized a Three-Day Workshop on “Fundamentals in Artificial Intelligence and Cyber Security” for II B Tech students of CSE, CSM, ECE, EEE, and IT. For the CSE students, the workshop was conducted on 03, 04, and 06 November 2025.

This workshop was organized as a part of the MoU signed with M/s Magic Bus Foundation and IBM SkillsBuild. The objective of the workshop was to provide students with both theoretical knowledge and practical exposure to emerging technologies such as Artificial Intelligence and Cyber Security. The sessions were designed to enhance students’ understanding of core AI concepts, machine learning basics, and Cyber Security fundamentals, which are highly relevant in today’s rapidly evolving technological landscape.

## Conclusion

The Three-Day Workshop on “Fundamentals in Artificial Intelligence and Cyber Security” proved to be a valuable learning experience for the students. It successfully enhanced their technical knowledge, awareness of emerging technologies, and understanding of cyber security practices, thereby contributing to their overall academic and professional development.

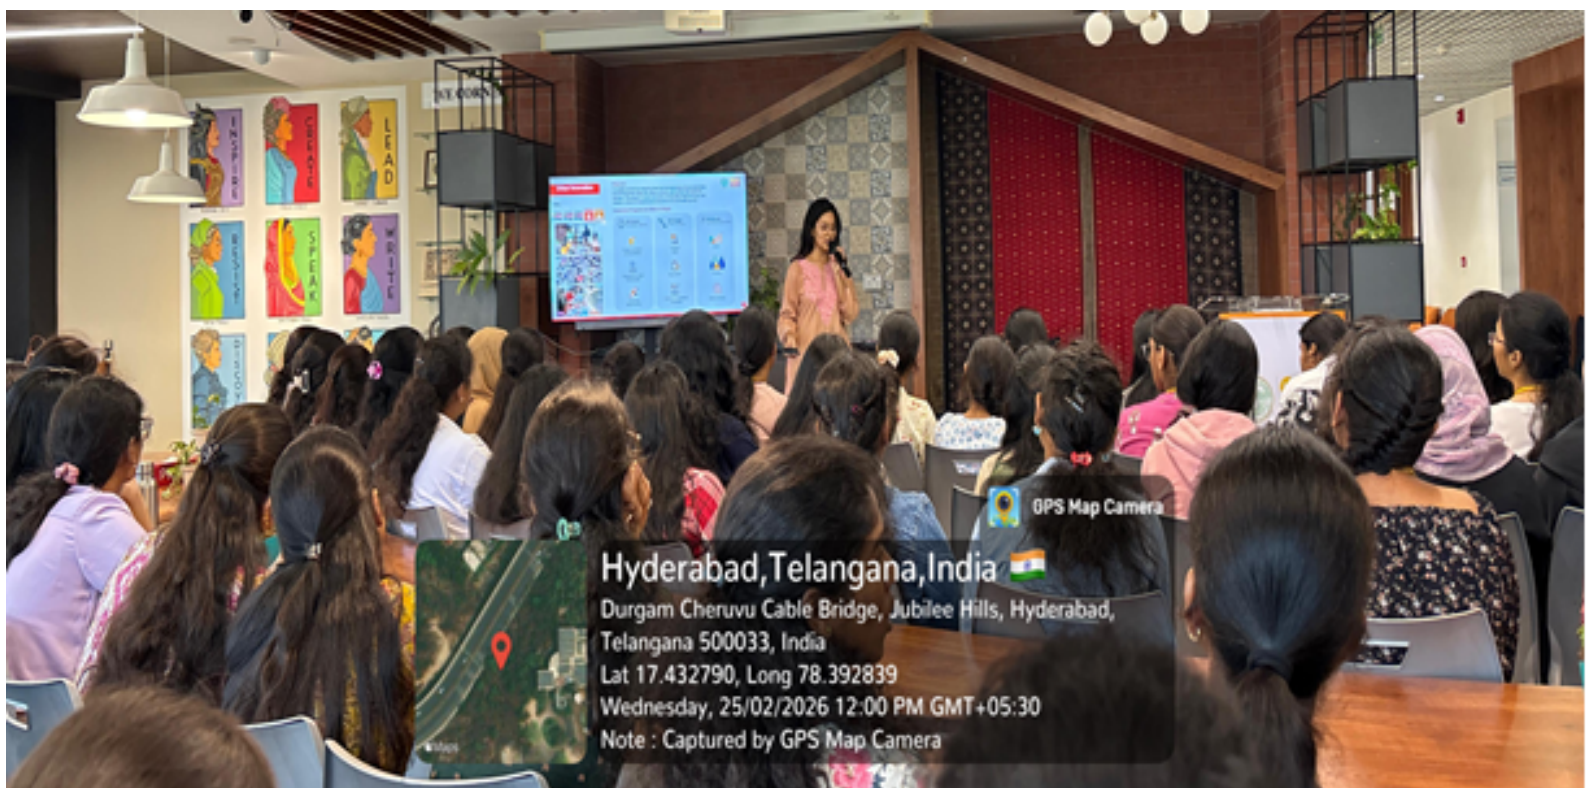

# Industrial Visit to “WE Hub, Hyderabad”

## Industrial Visit to “WE Hub, Hyderabad”

The Department of Computer Science and Engineering (CSE) organized an Industrial Visit to WE Hub, Hyderabad, for III B.Tech CSE A & B students on 25 February 2026. The objective of the visit was to provide students with exposure to the startup ecosystem, entrepreneurship, and innovation practices.

WE Hub (Women Entrepreneurs Hub) is an initiative of the Government of Telangana that supports women-led startups and entrepreneurs by providing incubation facilities, mentorship, funding opportunities, and networking support. The visit was organized to help students understand how startup incubation centers function and how innovative ideas are transformed into successful ventures.

# Annual Student's Sports & Games Meet

The Annual Students Sports & Games Meet 2025-26, held on the 26th and 27th of February 2026, showcasing the vibrant athletic talent and sportsmanship within our college community. The event was conducted from 9:30 am to 4:30 pm on both days, saw enthusiastic participation from students across various disciplines, creating an atmosphere of excitement on the college premises. The meet kicked off with a grand inauguration ceremony at 9:30 AM on the 26th, featuring an inspiring keynote address by the Principal, followed by a vibrant march-past by the athletes. Over the two days, students competed in a range of sports, including track and field events, basketball, volleyball, and more. The competitions were fierce yet friendly.

The Bhoj Reddy Engineering College for Women has organized “Farewell Day-2026” for all students, with different departments having specific dates. The CSE department celebrated the event from 16 to 18 March, 2026, from 9:45 AM to 4:00 PM. On this day, the Farewell Day was coordinated by Dr.M Vinod HOD-CSE along with department cultural coordinators AVS Radhika, B Pravalika, G Divyavani, the staff, and cultural coordinators from all classes. The event was monitored by Dr Ch Sujatha Gangadhar, Chief Operating Officer; Dr K Gracy Saila Sree, Director HR & Academics, SLV; Dr J Madhavan, Principal, and Mr G Dayakar Reddy, Vice Principal. All the students of I, II, III, and IV years of the CSE department actively participated. The Farewell Day celebration is a momentous event in the life of every graduating batch at an engineering college. It serves as an opportunity for students to bid farewell to their alma mater, reflect on their academic journey, and embark on a new chapter in their lives. The Farewell Day celebration at BRECW was organized by the student council, with support from the faculty and administration.

## Awareness Program on “Free Eye Check Up Camp”

The NSS Committee of Bhoj Reddy Engineering College for Women organized a Free Eye Check-Up Camp for the students on the college campus. The camp was conducted at the West Block Seminar Hall (Room No. 402) in association with Maxivision Super Speciality Eye Hospital.

The main objective of the camp was to create awareness about eye health and provide basic eye screening for students and staff members. The medical team carried out various eye examinations such as vision testing, eye pressure check, and general eye health assessment. Many students from I BTech actively participated in the camp and utilized the opportunity to get their eyes examined. In addition to the students and staff, a few less privileged people from the neighbouring slum areas were also invited to attend the eye check-up camp. Overall, the program was a successful initiative that contributed to promoting health awareness and the well-being of students on campus.

Inauguration by the Academic Dean and the Chief Operating Officer
