Happy Engineers Day

Engineering isn't just a profession,
it's a legacy of building a better tomorrow.

Figure 1: Banner

The session featured **Ms Saritha Kuntamukkala, Senior Architect – Data Engineering & Transformation, Infosys**, as the **Guest Speaker**, with **Prof A Ramakrishna Prasad, Chairman, CSI Hyderabad Chapter**, as the **Chairman**.

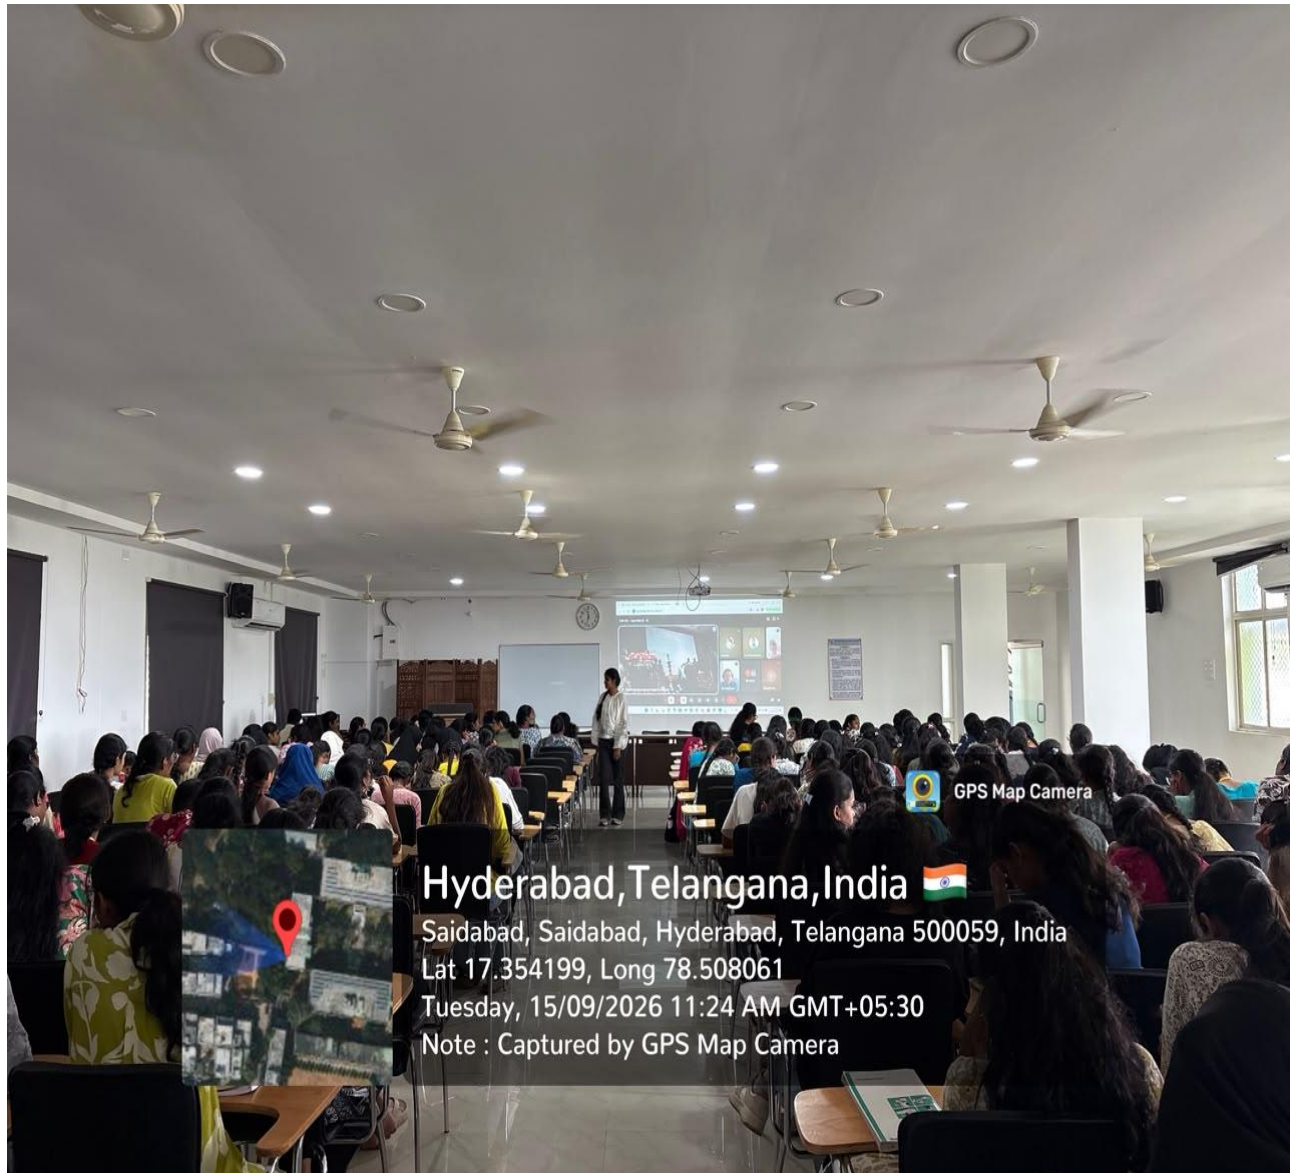

Figure 2: Students at the Session

The expert talk focused on the evolving role of engineers in the rapidly changing technological landscape. The speaker highlighted the importance of **innovation, creativity, problem-solving, continuous learning, and adaptability** in the engineering profession. The session provided students with valuable insights into how emerging technologies and innovative approaches are transforming the engineering industry and creating new opportunities for young professionals.

Figure 3: Students at the Session

The talk also emphasized the significance of combining **technical knowledge with practical skills, critical thinking, and a continuous learning mindset** to meet the demands of the modern workplace. Students gained a broader understanding of the responsibilities of engineers and the impact they can create through technology and innovation.

The programme served as an **enriching learning experience for the II B Tech CSE, CSM, and IT students**, enabling them to gain industry-oriented perspectives and motivating them to develop the skills required to contribute effectively to society and the technology-driven future.

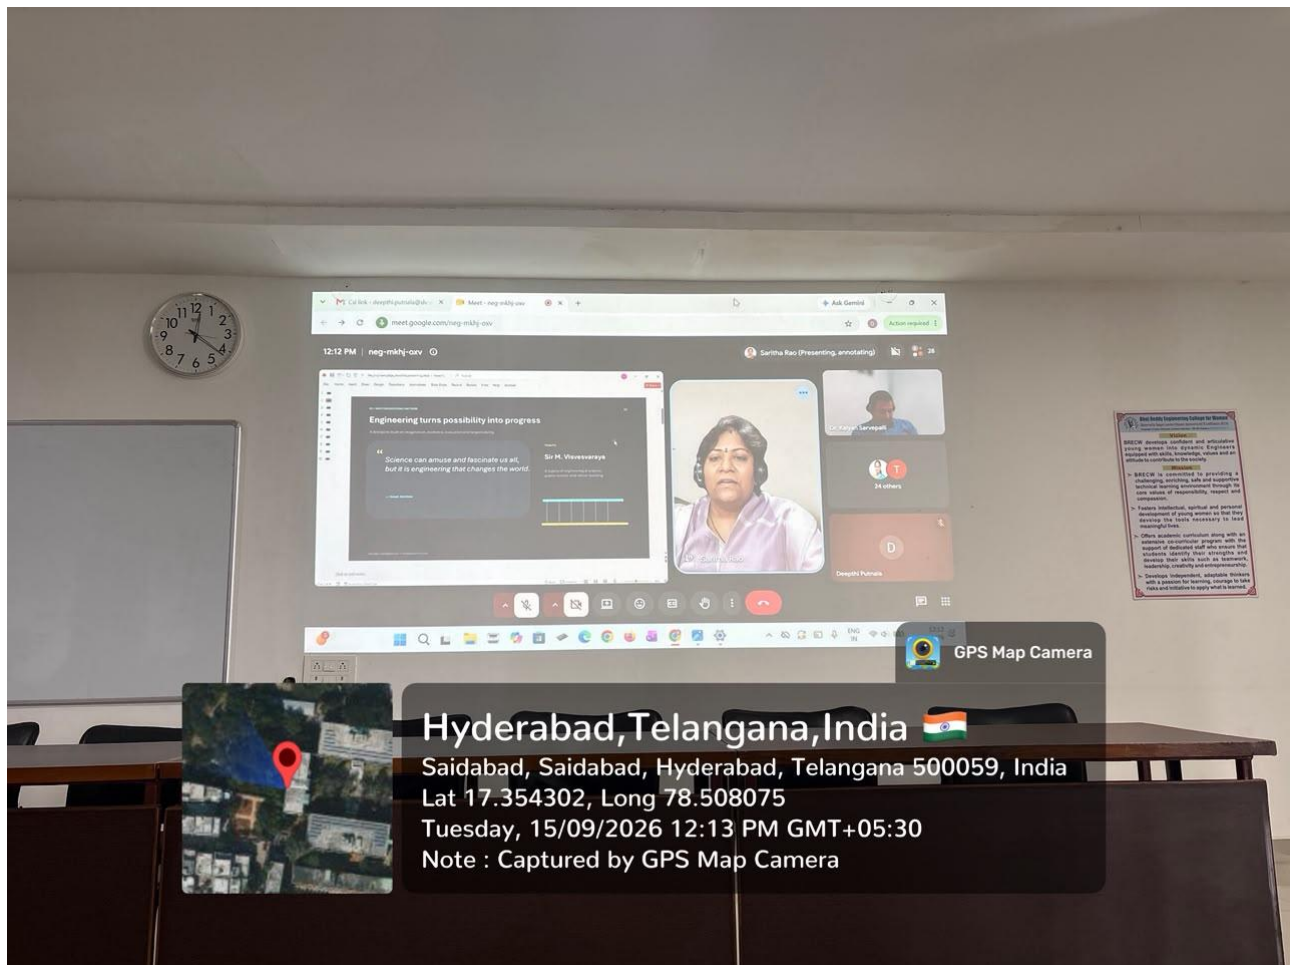

Figure 4: Ms Saritha Kuntamukkala, Senior Architect – Data Engineering & Transformation, Infosys, as the Guest Speaker

The session concluded with a **vote of thanks**, expressing gratitude to the distinguished speaker, CSI Hyderabad Chapter, the college management, faculty members, and students for their participation and support in making the Engineers' Day Special Expert Talk a meaningful and successful event.
