With reference to the above, your College made an application for grant of affiliation for the academic year 2019-20. Pursuant to your application the University has conducted an inspection and communicated the deficiencies for conduct of the academic courses.

Pursuant to the communication of deficiencies you have filed an appeal for reconsideration and the University reviewed the same or re-inspection was conducted. Based on the above, the University has granted affiliation to the following UG and PG courses for the A.Y. 2019-20:

* In case, Ph.D qualified faculty members requirement is not met for the proposed intake, then the proposed intake is reduced proportionately as per the Ph.D possessing faculty members.

In case, the admitted intake is less than 25% of the JNTUH sanctioned intake in any of the applied courses in all the previous three years but the admitted intake is at least 10 or above in one of the previous three years, then such courses are considered for affiliation with a minimum intake of 60, provided they meet other requirements as per norms. However, the faculty requirement is calculated based on sanctioned intake only.

Due to non- availability of Principal for the majority period during the Academic year 2018-19, the intake is reduced to 50% of the normal JNTUH sanctioned intake (subject to a maximum of 60) in the course having highest sanctioned intake and also having least admissions during previous Academic Years.

Further, the University is not inclined to grant affiliation for the remaining courses indicated in annexure due to any of
