INTRODUCTION

In view of the growing importance of English as a tool for global communication and the consequent emphasis on training students to acquire language skills, the syllabus of English has been designed to develop linguistic, communicative and critical thinking competencies of Engineering students.

In English classes, the focus should be on the skills development in the areas of vocabulary, grammar, reading and writing. For this, the teachers should use the prescribed text for detailed study. The students should be encouraged to read the texts leading to reading comprehension and different passages may be given for practice in the class. The time should be utilized for working out the exercises given after each excerpt, and also for supplementing the exercises with authentic materials of a similar kind, for example, newspaper articles, advertisements, promotional material etc. *The focus in this syllabus is on skill development, fostering ideas and practice of language skills in various contexts and cultures.*

Learning Objectives: The course will help to

- Improve the language proficiency of students in English with an emphasis on Vocabulary, Grammar, Reading and Writing skills.
- Equip students to study academic subjects more effectively and critically using the theoretical and practical components of English syllabus.
- Develop study skills and communication skills in formal and informal situations.

Course Outcomes: Students should be able to

- Use English Language effectively in spoken and written forms.
- Comprehend the given texts and respond appropriately.
- Communicate confidently in various contexts and different cultures.
- Acquire basic proficiency in English including reading and listening comprehension, writing and speaking skills.

**EN107HS/EN207HS: ENGLISH LANGUAGE
AND COMMUNICATION SKILLS LAB**

B.Tech. I Year I Sem.

L	T	P	C
0	0	2	1

The **Language Lab** focuses on the production and practice of sounds of language and familiarizes the students with the use of English in everyday situations both in formal and informal contexts.

Course Objectives:

- ✎ To facilitate computer-assisted multi-media instruction enabling individualized and independent language learning
- ✎ To sensitize students to the nuances of English speech sounds, word accent, intonation and rhythm
- ✎ To bring about a consistent accent and intelligibility in students' pronunciation of English by providing an opportunity for practice in speaking
- ✎ To improve the fluency of students in spoken English and neutralize their mother tongue influence
- ✎ To train students to use language appropriately for public speaking and interviews

Learning Outcomes: Students will be able to attain

- 👉 Better understanding of nuances of English language through audio- visual experience and group activities
- 👉 Neutralization of accent for intelligibility
- 👉 Speaking skills with clarity and confidence which in turn enhances their employability skills

Syllabus

English Language and Communication Skills Lab (ELCS) shall have two parts:

- a. **Computer Assisted Language Learning (CALL) Lab**
- b. **Interactive Communication Skills (ICS) Lab**

Listening Skills**Objectives**

1. To enable students develop their listening skills so that they may appreciate its role in the LSRW skills approach to language and improve their pronunciation
2. To equip students with necessary training in listening so that they can comprehend the speech of people of different backgrounds and regions

Students should be given practice in listening to the sounds of the language, to be able to recognize them and find the distinction between different sounds, to be able to mark stress and recognize and use the right intonation in sentences.

- Listening for general content
- Listening to fill up information
- Intensive listening
- Listening for specific information

Speaking Skills**Objectives**

1. To involve students in speaking activities in various contexts
2. To enable students express themselves fluently and appropriately in social and professional contexts
 - Oral practice: Just A Minute (JAM) Sessions

- Describing objects/situations/people
- Role play – Individual/Group activities

- **The following course content is prescribed for the English Language and Communication Skills Lab based on Unit-6 of AICTE Model Curriculum 2018 for B.Tech First English. As the syllabus is very limited, it is required to prepare teaching/learning materials by the teachers collectively in the form of handouts based on the needs of the students in their respective colleges for effective teaching/learning and timesaving in the Lab)**

Exercise – I**CALL Lab:**

Understand: Listening Skill- Its importance – Purpose- Process- Types- Barriers of Listening.

Practice: Introduction to Phonetics – Speech Sounds – Vowels and Consonants.

ICS Lab:

Understand: Communication at Work Place- Spoken vs. Written language.

Practice: Ice-Breaking Activity and JAM Session- Situational Dialogues – Greetings – Taking Leave – Introducing Oneself and Others.

Exercise – II**CALL Lab:**

Understand: Structure of Syllables – Word Stress and Rhythm– Weak Forms and Strong Forms in Context.

Practice: Basic Rules of Word Accent - Stress Shift - Weak Forms and Strong Forms in Context.

ICS Lab:

Understand: Features of Good Conversation – Non-verbal Communication.

Practice: Situational Dialogues – Role-Play- Expressions in Various Situations –Making Requests and Seeking Permissions - Telephone Etiquette.

Exercise - III**CALL Lab:**

Understand: Intonation-Errors in Pronunciation-the Influence of Mother Tongue (MTI).

Practice: Common Indian Variants in Pronunciation – Differences in British and American Pronunciation.

ICS Lab:

Understand: How to make Formal Presentations.

Practice: Formal Presentations.

Exercise – IV**CALL Lab:**

Understand: Listening for General Details.

Practice: Listening Comprehension Tests.

ICS Lab:

Understand: Public Speaking – Exposure to Structured Talks.

Practice: Making a Short Speech – Extempore.

Exercise – V**CALL Lab:**

Understand: Listening for Specific Details.

Practice: Listening Comprehension Tests.

ICS Lab:

Understand: Interview Skills.

Practice: Mock Interviews.

Minimum Requirement of infrastructural facilities for ELCS Lab:**1. Computer Assisted Language Learning (CALL) Lab:**

The Computer Assisted Language Learning Lab has to accommodate 40 students with 40 systems, with one Master Console, LAN facility and English language learning software for self- study by students.

System Requirement (Hardware component):

Computer network with LAN facility (minimum 40 systems with multimedia) with the following specifications:

- i) Computers with Suitable Configuration
- ii) High Fidelity Headphones

2. Interactive Communication Skills (ICS) Lab:

The Interactive Communication Skills Lab: A Spacious room with movable chairs and audio-visual aids with a Public-Address System, a LCD and a projector etc.

EN508HS: ADVANCED COMMUNICATION SKILLS LAB**III Year B.Tech. CSE I-Sem**

L	T	P	C

1. INTRODUCTION:

The introduction of the Advanced Communication Skills Lab is considered essential at 3rd year level. At this stage, the students need to prepare themselves for their careers which may require them to listen to, read, speak and write in English both for their professional and interpersonal communication in the globalized context.

The proposed course should be a laboratory course to enable students to use 'good' English and perform the following:

- Gathering ideas and information to organize ideas relevantly and coherently.
- Engaging in debates.
- Participating in group discussions.
- Facing interviews.
- Writing project/research reports/technical reports.
- Making oral presentations.
- Writing formal letters.
- Transferring information from non-verbal to verbal texts and vice-versa.
- Taking part in social and professional communication.

2. OBJECTIVES:

This Lab focuses on using multi-media instruction for language development to meet the following targets:

- To improve the students' fluency in English, through a well-developed vocabulary and enable them to listen to English spoken at normal conversational speed by educated English speakers and respond appropriately in different socio-cultural and professional contexts.
- Further, they would be required to communicate their ideas relevantly and coherently in writing.
- To prepare all the students for their placements.

3. SYLLABUS:

The following course content to conduct the activities is prescribed for the Advanced English Communication Skills (AECS) Lab:

1. **Activities on Fundamentals of Inter-personal Communication and Building Vocabulary** - Starting a conversation – responding appropriately and relevantly – using the right body language – Role Play in different situations & Discourse Skills- using visuals - Synonyms and antonyms, word roots, one-word substitutes, prefixes and suffixes, study of word origin, business vocabulary, analogy, idioms and phrases, collocations & usage of vocabulary.
2. **Activities on Reading Comprehension** –General Vs Local comprehension, reading for facts, guessing meanings from context, scanning, skimming, inferring meaning, critical reading& effective googling.
3. **Activities on Writing Skills** – Structure and presentation of different types of writing – *letter writing/Resume writing/ e-correspondence/Technical report writing/* – planning for writing – improving one's writing.
4. **Activities on Presentation Skills** – Oral presentations (individual and group) through JAM sessions/seminars/PPTs and written presentations through posters/projects/reports/ e-mails/assignments etc.
5. **Activities on Group Discussion and Interview Skills** – Dynamics of group discussion, intervention, summarizing, modulation of voice, body language, relevance, fluency and organization of ideas and rubrics for evaluation- Concept and process, pre-interview planning, opening

strategies, answering strategies, interview through tele-conference & video-conference and Mock Interviews.

4. MINIMUM REQUIREMENT:

The Advanced English Communication Skills (AECS) Laboratory shall have the following infrastructural facilities to accommodate at least 35 students in the lab:

- Spacious room with appropriate acoustics.
- Round Tables with movable chairs
- Audio-visual aids
- LCD Projector
- Public Address system
- P – IV Processor, Hard Disk – 80 GB, RAM–512 MB Minimum, Speed – 2.8 GHZ
- T. V, a digital stereo & Camcorder
- Headphones of High quality

5. SUGGESTED SOFTWARE:

The software consisting of the prescribed topics elaborated above should be procured and used.

- Oxford Advanced Learner's Compass, 7th Edition
- DELTA's key to the Next Generation TOEFL Test: Advanced Skill Practice.
- Lingua TOEFL CBT Insider, by Dream tech
- TOEFL & GRE (KAPLAN, AARCO & BARRONS, USA, Cracking GRE by CLIFFS)

Memorandum of Understanding (MOU)

Between

CSRBOX Foundation

And

Bhoj Reddy Engineering College for Women

This memorandum of Understanding (MOU) is effective from **1 July 2022** is entered into by and between

CSRBOX Foundation (SMEC Trust) having its corporate office at 806-808, Shivalik Satyamev, Bopal, Near Vakil Saheb Bridge, Ahmedabad, Gujarat, India 380051

(Hereinafter referred to as "IBM SkillsBuild Country Partner - CSRBOX Foundation")

And

Bhoj Reddy Engineering College for Women

Hyderabad, Telangana

Recitals

- I. Whereas, IBM SkillsBuild, represented by its country partner for India-CSRBOX Foundation, is a skill building & learning digital platform where users can achieve industry relevant skills, get IBM certified badges & seek employment opportunities for Free.

The College was established in 1997. It is managed by an executive committee consisting of persons with a long experience in the field of education. Within a short period, it has emerged as one of the premier engineering colleges in the state. The College has been in the forefront in organizing various short-term courses, conferences, symposia, workshops, seminars and special lecturers.

The objective of this MOU is to mutually complement both of the above parties' energies, outreach and efforts to curate opportunities of collaborations, sharing of knowledge resources and jointly work on building capacities of the users through the IBM SkillsBuild Platform.

Duration

This MOU is initially for one year duration w.e.f. **(01 July 2022)**

Operational Aspects

Where IBM SkillsBuild will on-board Bhoj Reddy Engineering College for Women

as the 'Partner' for IBM SkillsBuild platform, and work closely with Bhoj Reddy Engineering College for Women, Hyderabad to leverage their beneficiaries/learner base of students/beneficiaries and other important stakeholders to build industry relevant skills set & enhance employability prospect of students/learners by providing market-linked skills. IBM SkillsBuild Country Partner-CSRBOX Foundation will facilitate the on-boarding of learners (students) on the platform, while the Bhoj Reddy Engineering College for Women shall duly instruct their learners to participate in the engagement activities and monitor learners' operations.

(Each learner initiates/completes at least one short course on IBM SkillsBuild Platform) of learners in a phased manner as mentioned below.

Engagement of Learners on the Platform:

- Phase I- 20% learners on the IBM SkillsBuild platform within 30 days of students' onboarding.
- Phase II- 50% learners engagement within the period of one year.

In order to maintain the desired level of social media outreach, each party shall promote the initiative through their social media handles. With respect to the social media outreach, each party will also appoint an appropriate person(s) to represent its organization.

Termination and Extension of MOU

The partnership covered by this MOU shall terminate upon completion of the agreed upon period. In the event of non-compliance or breach by one of the parties of the obligations binding upon it, the other party may terminate the agreement with immediate effect, if there is no resolution available for the breach. This MOU can be extended further as per the mutual agreement between the parties.

Financial Aspects

This MOU is of non-financial in nature where there is no financial transaction or provisioning involved. The terms and provisions in this MOU also apply to any subsequent Addendum to this agreement. IN WITNESS WHEREOF, the parties hereto have executed this MOU on the day **(01 July 2022)**.

SUBJECT: “EXPLORE”- REWARDS 360⁰ Asset Development Program

Dear Sir,

Greetings from Team REWARD

This is further to our discussions with regard to the Campus Recruitment Training Program for the **2nd year students** of your college, we take the privilege in sending this well designed and perfectly structured program for your perusal. We have designed the training module to cater all your requirements.

“**EXPLORE**” is aimed and designed to bring an overall change in the process and system of Campus Recruitment Training at Colleges. It shall surely work in line with the current trends of the industry and enhance the Technical skills of the students like C programming, Data Structures, JAVA, Python etc to make them top notch professionals in terms of their technical ability that will help them to grow as successful individuals in this ever growing and technology driven competitive world.

“We develop assets, and don’t merely train them.”

ABOUT REWARD

REWARD is the abode of free thinking professionals, from diverse fields with varied experience. REWARDS main ideology is to impart knowledge that paves way to corporate hallways.

OUR SERVICES:

- Campus Recruitment Training
- Academic Project Training
- Summer / Winter Internships
- Abroad Education Consultancy
- The First Steps – Short Term Workshops
- Software Development

Request you to go through the complete proposal and feel free to get back to me in case of any further query.

Thank You
Team REWARD

TRENDS IN CAMPUS PLACEMENTS

- Tier-I institutes saw an average campus placement figure of 75%.
- The number for Tier-II and Tier-III institutes was only 38%.
- On-campus fresher hiring has seen a drop of nearly 21% in Tier-II and Tier-III institutes over the last two years.
- The number of companies visiting these campuses has declined by nearly 30%.
- The drop in fresher intake from campuses by the IT sector and by start-ups in the last two years has significantly impacted campus placements.

OUR OBSERVATION

- Focus on Algorithms and Problem solving skill has increased exponentially.
- Companies are conducting National Level Recruitment Tests to hire freshers.
- The recruitment Criteria has changed drastically, Technical skills has become an important criteria to recruit a fresher.
- Bulk Recruitments from single college has decreased.
- INFYTQ selects students purely on their Technical Ability.
- Students from Remote colleges now have equal chances of getting placed in top companies.

PURPOSE/SCOPE OF THE COLLABORATION:

- We shall be conducting 160 hours of Training covering the below given topics
 - Quantitative Aptitude
 - Logical Reasoning
 - Verbal Ability
 - Technical Skills
- We will conduct regular assessments and coding competitions during the training program.
- We will conduct daily assignments to the students and submit the reports to the college during the next working day

EXPECTATIONS FROM COLLEGE:

1. College has to ensure at least 80% of attendance of the students throughout the program.
2. College has to provide Internet enabled computer labs for conducting online assessment tests.
3. College has to provide projectors and sound systems for proper conduction of the classes.
4. College has to provide lunch & transport facility to the faculty coming for the training program.

MODE OF EXECUTION

- On any given day, we shall conduct 6 hours in case of offline training in which we will deal the concept and solve few question on that particular topic
- Login credentials of the HACKERRANK portal and COIGNITE Portal shall be shared with the students for practice and Assessments
- All the Students enrolled for the program will be made to join a Whatsapp group
- One Mentor for every 150 students will be available in the Whatsapp group to solve the queries and challenges that students might face
- The recordings of the class shall be posted in the whatsapp group for further reference of the student
- Every day evening a Assignment shall be conducted to test the understanding of the student
- Grand tests shall be conducted regularly which will cover the topics covered dealt during those days.

SUBJECT: “EXPLORE”- REWARDS 360⁰ Asset Development Program

Dear Sir,

Greetings from Team REWARD

This is further to our discussions with regard to the Campus Recruitment Training Program for the **3rd year students** of your college, we take the privilege in sending this well designed and perfectly structured program for your perusal. We have designed the training module to cater all your requirements.

“**EXPLORE**” is aimed and designed to bring an overall change in the process and system of Campus Recruitment Training at Colleges. It shall surely work in line with the current trends of the industry and enhance the Technical skills of the students like C programming, Data Structures, JAVA, Python etc to make them top notch professionals in terms of their technical ability that will help them to grow as successful individuals in this ever growing and technology driven competitive world.

“We develop assets, and don’t merely train them.”

ABOUT REWARD

REWARD is the abode of free thinking professionals, from diverse fields with varied experience. REWARDS main ideology is to impart knowledge that paves way to corporate hallways.

OUR SERVICES:

- Campus Recruitment Training
- Academic Project Training
- Summer / Winter Internships
- Abroad Education Consultancy
- The First Steps – Short Term Workshops
- Software Development

Request you to go through the complete proposal and feel free to get back to me in case of any further query.

Thank You
Team REWARD

TRENDS IN CAMPUS PLACEMENTS

- Tier-I institutes saw an average campus placement figure of 75%.
- The number for Tier-II and Tier-III institutes was only 38%.
- On-campus fresher hiring has seen a drop of nearly 21% in Tier-II and Tier-III institutes over the last two years.
- The number of companies visiting these campuses has declined by nearly 30%.
- The drop in fresher intake from campuses by the IT sector and by start-ups in the last two years has significantly impacted campus placements.

OUR OBSERVATION

- Focus on Algorithms and Problem solving skill has increased exponentially.
- Companies are conducting National Level Recruitment Tests to hire freshers.
- The recruitment Criteria has changed drastically, Technical skills has become an important criteria to recruit a fresher.
- Bulk Recruitments from single college has decreased.
- INFYTQ selects students purely on their Technical Ability.
- Students from Remote colleges now have equal chances of getting placed in top companies.

PURPOSE/SCOPE OF THE COLLABORATION:

- We shall be conducting 160 hours of Training covering the below given topics
 - Quantitative Aptitude
 - Logical Reasoning
 - Verbal Ability
 - Technical Skills
- We will conduct regular assessments and coding competitions during the training program.
- We will conduct daily assignments to the students and submit the reports to the college during the next working day

EXPECTATIONS FROM COLLEGE:

1. College has to ensure at least 80% of attendance of the students throughout the program.
2. College has to provide Internet enabled computer labs for conducting online assessment tests.
3. College has to provide projectors and sound systems for proper conduction of the classes.
4. College has to provide lunch & transport facility to the faculty coming for the training program.

MODE OF EXECUTION

- On any given day, we shall conduct 6 hours in case of offline training in which we will deal the concept and solve few question on that particular topic
- Login credentials of the HACKERRANK portal and COIGNITE Portal shall be shared with the students for practice and Assessments
- All the Students enrolled for the program will be made to join a Whatsapp group
- One Mentor for every 150 students will be available in the Whatsapp group to solve the queries and challenges that students might face
- The recordings of the class shall be posted in the whatsapp group for further reference of the student
- Every day evening a Assignment shall be conducted to test the understanding of the student
- Grand tests shall be conducted regularly which will cover the topics covered dealt during those days.

The event began with a warm welcome address by Ms. Gadiga Sirisha, III ECE student, to the speaker, Director Academics, Principal, Hod's, staff members and students. She also gave a brief introduction about the speaker. Dr. G Ravinder Reddy, Director Academics addressed the students and also talked about how the Innovations and Entrepreneurship are inter-twined. Later Dr. J Madhavan, Principal also stressed the same point.

The speaker, Dr. D V Ravi Shankar explained how Innovation and entrepreneurship are key drivers of economic growth, job creation, and societal progress. An awareness program aimed at promoting innovation and entrepreneurship plays a vital role in inspiring individuals to pursue their entrepreneurial ambitions and harness their creative potential. This report outlines the objectives, content, and impact of such a program, focusing on raising awareness about the importance of innovation and entrepreneurship in today's dynamic world.

The Objectives of the Awareness Program was:

- Inspiration: To inspire individuals to embrace an entrepreneurial mindset and explore opportunities for innovation.
- Education: To provide participants with essential knowledge and skills related to entrepreneurship, innovation processes, and startup development.
- Empowerment: To empower aspiring entrepreneurs with the confidence, resources, and support networks needed to turn their ideas into successful ventures.
- Community Building: To foster a supportive ecosystem of entrepreneurs, mentors, investors, and other stakeholders committed to promoting innovation and entrepreneurship.

The following Key notes were discussed:

- Understanding Innovation and Entrepreneurship.
- Identifying Opportunities.
- Developing an Entrepreneurial Mindset.
- Innovation Processes.
- Business Planning and Strategy.
- Accessing Resources and Support.

- Ethical and Social Responsibility.
- Networking and Collaboration.

An awareness program on innovation and entrepreneurship serves as a catalyst for unleashing creativity, fostering economic growth, and solving pressing challenges facing society. By inspiring, educating, and empowering aspiring entrepreneurs, such programs can contribute to the development of vibrant startup ecosystems and a culture of innovation that drives sustainable prosperity and positive change.

The program conducted by the IIE Cell successfully met its objective and the Cell remains committed to organizing similar events to nurture an entrepreneurial mindset among students and contribute to the growth of the entrepreneurial ecosystem within the institute. The session was concluded by the vote of thanks by Ms. Aare Priyanka, student of III CSE.

Younify is a campus radio network and podcast platform which connects students and faculty among a campus and to other campuses. Younify availed its services to our colleges for starting our campus radio from April 2020. Our campus radio was inaugurated on 11 June 2020 and there is a total of 70 students and 7 faculty members.

BRECW campus radio team is split into 8 teams such as:

- (1) **Radio jockey:** Chooses among the creative topics and do their groundwork regarding concept, collect the proper information, create a draft and put up the matter into audios
- (2) **Creative team** brainstorms for unique ideas and make a show attractive and catchy. They come up with their best ideas for shows, publicity and designing.
- (3) **Scheduling team:** They team schedules the shows i.e., which show is to be telecasted on which day and grab more listeners.
- (4) **Drafting team** provides the graphics team with the catchy content for the posters.
- (5) **Technical team** handles the server availed by the younify team.
- (6) **Graphic designing team** prepares the posters for the shows, eye catchy posters of shows and also videos for special shows.
- (7) **E-publicity team** handles the official social media handles.
- (8) **Audio Editing team:** receive the audio recordings from the RJ team and edit them accordingly. They play a major role in formatting the audios and making them disturbance and error free. These people are responsible for adding proper and melodious songs in between the show recordings and background music suitable to the shows

The coordinator is also expected to communicate to all other students the good work done by the institution and their students from time to time. In this process, the coordinator is expected to perform the following functions:

Students Induction Program (SIP) is conducted for all fresh students with one faculty associated with 20-25 students to build a strong connect between students and faculty on one hand and create holistic awareness about Universal Human Values (UHV). When new students enter the institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a university/college. Student Induction Program is an important task is to welcome new students to Higher Education and prepare them for their new role. It is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed. Students Induction cover a number of different aspects (SAGE): **Socializing**: meeting other new students, senior students, students union, Lectures by Eminent People; **Associating**: visits to University / college, visits to Dept./Branch/ Programme of study & important places on campus, local area, city and so on; **Governing**: rules and regulations, student support etc; **Experiencing**: Subject lectures, study skills, small-group activities, physical activity, creative and performing arts, literary activities, universal human values, etc. This helps students in the right direction of their world-view, mindset, perspective and values

Functions of the Committee:

- Engage students in different forms like painting, singing, dance, drama, pottery, yoga, meditation, sports, cultural programmes.
- To develop bonds with peers, seniors, faculty and staff
- To provide an exposure to a holistic vision of life based on human good or well-being of all
- To develop a healthy lifestyle and ethical professional discipline
- To connect and appreciate the diversity of cultures
- To overcome weakness in some essential professional skills to be ready for higher study to the needy.

Grievance Redressal and Internal Complaints Committee is constituted in order to keep the healthy working environment and to uphold the dignity of the college by ensuring struggle-free atmosphere in the college.

Grievance Redressal System is a vital part of any administration. It is the responsibility of the College Administration to provide a secure and contented environment to all its faculty and staff. The Grievance Redressal Committee has been formed in the College as per the AICTE guidelines to redress the grievances of faculty and staff. Since the inception of the College, the Committee has been under the direct purview of the Principal.

Procedure for lodging complaint and functions of Grievance Redressal Committee:

- Any aggrieved faculty/staff of the college with a genuine grievance, the grievances may be dropped in writing at Complaint/suggestion Boxes at Administrative Block and Library. Grievances can be sent through online from our college website www.brecw.ac.in. The committee will look into the complaints and proposes remedial action to the problems and take corrective measures.
- A complaint from an aggrieved faculty/staff member relating to the institution shall be addressed to the chairperson, Grievances Redressal Committee (GRC).
- The GRC shall send its report with recommendations, if any, to the concerned DTE or University and a copy thereof to the aggrieved faculty/staff member, within a period of 15 days from the date of receipt of the complaint.
- In case if faculty/staff is not satisfied with the decision of Grievance Redressal Committee, they may appeal to the concerned affiliating University/ State DTE (in case of diploma institutes) for redressal of their grievances.
- The University level or DTE level Grievance Redressal Cell established by the University or DTE shall address such grievances and settle the matter at State / University level.

Renewable Energy Committee is formed in the college to promote the use of Renewable Energy technologies (Solar, Wind, Biomass, etc) to partially meet the energy needs of the college campus. Energy is a vital input for economic and social development. Growing concern on the depletion of fossil fuel reserves and detrimental effects of conventional energy sources on environment makes it imperative to maximize the use of Renewable Energy Sources which are economically viable and environmentally friendly. The Committee aims at the development and popularization of such technologies.

Functions of the Committee:

1. To generate ideas and technologies that can be used to improve the use of Renewable Energy usage in college campus.
2. To protect the environment by increasing the use of Renewable Energy Sources and decreasing the use of conventional sources of energy.
3. To expand the existing Solar power generation in the campus by developing Solar trees and lamp posts.
4. To study the scope for using new Renewable Energy Sources such as wind and biomass in the college campus.
5. To conduct workshops and seminars to promote the importance of Renewable Energy Sources, mainly focussing on Solar energy.
